KEY STAGE 2 SNACK (£1 PER WEEK)

Dear Parent / Carer,

Following on from the free fruit children receive in Foundation and Key Stage 1, we wish to continue offering children in Key Stage 2 a healthy choice at snack time.

We therefore offer a varied choice of fruit each day and once a week we offer biscuits as an extra choice.

We aim to promote healthy choices in school and run various clubs and lunchtime activities for the children.

We charge £1 per week for snack to help with the cost of providing fruit each day. If your child has snack please encourage them to enjoy the fruit on offer.

Thank you for your support.
