Ravenscroft News Letter 24 June 2021

I, like you, was hoping we would have a normal end to the school year. However, due to the step 4 delay and rising cases both locally and nationally it will not be possible. We will be using the school website and class pages to display photos and short videos of some of the events. All events will now have to take place in the class bubbles.

Look out for APP alerts over the next 4 weeks which will take you through to the website for the following events:

Class Sports Day Events – 24th – 30th June

Celebration of Achievement – 29th June

Children's University class photo for Y3, Y4, Y5 and Y6 - 5th July

Y6 class video for parents – 20th July

End of Year class parties - 21st July

Y6 Leavers Barbeque - 21st July

Information for new Reception parents and Nursery parents will be sent out by the end of next week.

Thanks again for your continued support and understanding.

Take care and stay safe.

Miss Hegarty
