

# Times Tables Challenges

At Ravenscroft, Times Tables are a very important part of our maths learning. The tables are taught in a variety of ways and are practised regularly during our basic skills sessions.

Children will be tested on their tables each term, and to ensure that they are fluent, we promote children being able to say, know and use their times tables.

*Throughout the year, children are able to gain their Bronze, Silver and Gold awards..*

**Year 1** - count in multiples of twos, fives and tens

**Year 2** - recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables,

**Year 3** - recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables

**Year 4** - count in multiples of 6, 7, 9, 25 and 1000  
recall multiplication and division facts for multiplication tables up to  $12 \times 12$

**Year 5** - identify multiples and factors, including finding all factor pairs of a number, and common factors of two numbers

**Year 6** - identify multiples and factors, including finding all factor pairs of a number, and common factors of two numbers  
Know square and prime numbers

GOOD LUCK EVERYONE
