31st January 2018,

VOLUNTEER READING PARTNERS

Dear Parent / Carer,

As part of our continued efforts to raise the standards of English in school, we are asking for volunteers who could spare some time each week to listen to pupils read. Reading to adults has a fantastic impact on a child's confidence with reading and really makes a difference to their attainment across the curriculum.

As a reading partner you would work one-to-one with two or three children; spending 10 minutes with each child listening to them read and talking about their book. You would work with the same children each week, getting to know them and watching them progress.

If you are a parent/grandparent/carer who would like to volunteer to become a reading partner, please complete the slip below and return it to the school office. Ideally we would like you to come in twice a week, but if this is not convenient, once a week will be fine. If you would like some further information before volunteering, please call into school.

Thank you for your support

Yours sincerely
Miss Milner
