

sing up
Help kids find their voice

***We became a Platinum
singing school in 2012.***

The First in Knowsley!

What is Sing Up?

Sing Up is a limited company which operates on a mission-driven not-for-profit basis. Sing Up's core goal is to ensure that children and young people have opportunities to sing regularly and well for all the benefits research shows that brings.

Through our school membership, we are able to provide a rich musical education and excellence in singing so that:

- Children at Ravenscroft learn to sing well
- Children develop their musical understanding
- Learning outcomes improve
- Children are happy, confident and creative individuals
- School life is enhanced
- Educators in the school have access to quality resources that enable them to create a culture of singing which fosters strong communities

**We hold annual Sing Up
assemblies for ALL children
from N-Y6 to showcase and
celebrate our love of singing.**
