4th October 2018

Dear Parent/Carer,

It has been brought to the school's attention that a number of children have recently received a message or friend request on their game console from an unknown person who either asks them to click on a link to see pictures or asks for information about them and/or their parents.

This is probably a virus or a way to hack the account used and the best thing to do is delete the request. E Safety is covered in school but this is an opportunity to talk to your child about what they should and should not be doing on-line.

Yours sincerely

Mr L Hughes
E Safety Lead
