Dear Parents/Carers

Would you like to play a part in your child's learning journey throughout Early Years?
Would you like to see pictures and videos of what your child gets up to during their time in Nursery? Would you like to actively engage in your child's time in Nursery and contribute to their assessment?

I would like to invite you to a meeting about Tapestry Journal, the online app we use to observe your child during their time in Nursery. In this meeting, we will cover setting up an account for you, how to access the website/app and how to use it. You can not only see the observations we have made, but contribute by adding your own from outside of Nursery!

You will of course have the chance to ask any questions you may have about the app. The meeting will take place on Friday 5th October at 9am.

If you could please sign and return the attached form to confirm your attendance at this meeting.

Thank you
Miss Marras
