26<sup>th</sup> June 2020

Dear Parents and Carers,

Just a couple of updates today, I hope everyone is keeping well and enjoying the good weather and for all the Liverpool supporters out there - Yah...go the REDS!!

### Wider Opening

I am delighted to confirm that from Monday 29<sup>th</sup> June we are wider opening to those in Y6 and Year 1 on Wednesday 1<sup>st</sup> July who confirmed that they would like to return. We have contacted parents and we are now full to capacity in those year groups. Only children of parents contacted can return at this stage. Due to being full to capacity of Key Workers and Vulnerable Children in Nursery, we currently cannot offer a wider opening to more children in EYFS. I know this may be disappointing but we do have to follow current guidelines and our approved processes and Risk Assessment.

### As You Write it-Your Play on Stage

I just wanted to share with you some very exciting news about an initiative that was launched on The One Show last night.. 'As You Write It – Your Play on Stage' is a national young person's playwriting competition that has been organised by The Shakespeare North Playhouse and The One Show. All the competition details are available on the BBC website.

This initiative has been months in the making and is a really exciting opportunity that will allow more people to hear about the Playhouse as it continues to be built in Prescot. Importantly, the competition is a chance to engage our children and young people in a creative activity that we hope will spark imaginations and potentially a lifelong interest in the theatre, arts and culture.

Take care, stay safe, and thank you for your continued support and trust.

Kind Regards

Miss Hegarty
