January 2021 Newsletter-Home Learning

Happy New Year everyone, well what a start to 2021. I want to start by thanking everyone for this week and how you have dealt with the partial closure and the massive changes imposed by the National Lockdown. School is now only open to Key Workers and Vulnerable pupils.

Home Learning started on Tuesday and I am happy to say a large majority of pupils have accessed TEAM's especially across KS2. **I have sent an e mail out today with new Teams guidelines requesting you reply urgently.** A response is vital if we are to continue the successful daily teacher sessions on Monday. It is also important the guidelines are followed by you and your child/children, so we keep everyone safe.

Teachers will only stay on chats until 12:00 pm next week and work needs to be submitted by the end of the school day. We do have work packs available in school weekly, they will be updated and ready for collection each Tuesday. Although, we would prefer it if your child accessed daily classwork on TEAM's we do understand the difficulties.

Home learning is not optional all children must access and complete work, it is important they do if they are to resume their learning in school after the half term. School will contact you, at the end of each week, if your child has not completed work. If you need any support with Home Learning or accessing TEAM's please contact the school office on 0151 477 8290 we are only too happy to help.

Can I thank you again for your continued support during these unprecedented times.

Take care and stay safe
Miss Hegarty
