

# Newsletter March 4th 2021- Full Return to School

Dear Parents,

Please read all the information sent out this week before starting back on **8th March** especially on drop off and pick up times. Please always remember the 2m rule and to follow the path set. You will also need to wear a face covering when on the school site. A big thank you to all Key Worker and Vulnerable parents who complied over the last 8 weeks. If your child is old enough to enter site themselves please do this as this limits people on site and helps with every ones safety. Could I also please remind you of some school rules and procedures which aim to help us to achieve a safe school environment for all.
