

Newsletter 14th July 2021

I would just like to thank everyone for your continued support and understanding. You are continuing to follow our safety procedures, wearing a face covering, keeping 2m apart and sticking to the staggered drop offs and pick-ups. You are also notifying and keeping your child/children off when unwell or close contacts have tested positive. Unfortunately, this has increased dramatically in the last 2 weeks. It is because of this that I am going to ask you to continue with the current safety procedures until the end of term Thursday 22nd July; I hope you agree that this is the right decision. Everything we have done so far within school, to keep our children, staff, and community safe has enabled your child's education to continue. I'm sure you will also agree we do not want the last 4 days of school to hinder the start of everyone's summer holidays. **One last push, which I am sure we can do together, will ensure we have a good and self-isolation free start to the holiday.**

Can you please click the link below this Newsletter to read a letter from the LA with further information.

A Thank You from the LA and School

As an end of term thank you, all pupils will be given a **free** party box at lunchtime, on our party day the 21st July so your child **will not** need to bring a packed lunch that day. They will also have class parties and treats from school.
