

Remote/Home Education

As a school we use Microsoft TEAMS. A Parent and Pupil instruction sheet showing you and your child how to use and down load the TEAMS APP can be found in the Remote Learning tab of this website.

This sheet tells you how to get and hand in work each day.

Daily face to face contact or chat with class teachers will only be available for each class at the following times each day:

9:00-9:30-Y5-Y6

9:30-10:00-Y4-Y3

10:00-10:30-Y1-Y2

Different times have been allocated to classes as we know that siblings maybe using the same devices.

Remote online learning will be added to TEAM's for your child to access daily. Staff have prepared a timetable of work to be completed each day which reflect what your child would be learning in school. A workbook will be available at the school office for your child to use for online learning, if you wish to collect one. If you would prefer to access a class pack they will be available to collect from the school office every Tuesday please call first to request one.

Foundation will continue to use Tapestry to set daily tasks – Miss Lehan and Mrs Lally have put a message on today, please read. They will also use TEAMS to keep in touch with their children/parents each week providing stories, speech and language activities and phonic.

If you have any concerns or problems accessing the daily sessions or work on TEAMS please call the school office on 0151 477 8290 we will be happy to help.
