

Dear Parents/Carers,

It was lovely to see everyone this morning, we had full attendance in a couple of classes and the children are very happy to be back. Can I please ask that you do not drop off till 8:50 am when doors open. It is **important Y3 arrive after 9:00 am** too so they are not standing waiting. The gates will not open till 3:05pm tonight and **Y3 will not be out till 3:15pm** so please do not arrive early, the less people on site at any one time the safer it is for everyone.

All information about opening can be accessed via the school APP and website, thanks to parents who use the APP for information you make mine and my office staff really happy as we do not have to repeat and answer daily questions on information we have sent out.

Lateral Flow Tests

Households with children of school age (under 18's) can pick up home testing kits from their local PCR testing sites (symptomatic sites). The tests will be LFD tests but are being distributed by the PCR sites. The PCR sites in Knowsley are in Huyton Car Park, Knowsley Community College Car Park in Kirkby and Stockbridge Village Car Park. These sites are not run by Knowsley LA. The tests can be picked up from 1pm – 7pm - [Find a test centre \(test-and-trace.nhs.uk\)](https://www.test-and-trace.nhs.uk) Households can use any of their local PCR sites on this map if they are closer than the Knowsley ones. If households are unable to get to a test centre to pick up kits they can order them online - [Schools testing: Order coronavirus \(COVID-19\) rapid lateral flow home test kits - GOV.UK \(www.gov.uk\)](https://www.gov.uk).

Take care and stay safe

Miss J Hegarty
