

Headteachers Newsletter 29.9.21

Dear Parent/carers,

Our attendance for last week, week ending 24/9/21 was 94.50% which is below our school target of 96%. Thank you to everyone getting their child/children into school on time, before 9:00 am and smartly dressed in their uniform. Please try to get your child in every day as every minute counts!! Our school target is 96% and as you can see from the table below, we only had 3 classes above that.

Green (G) = 96%+		Amber (A) = 95% to 96%,		Red (R) = Less than 95%			
Y6 93.6% RED	Y5 97.2% GREEN	Y4 96.70% GREEN	Y3 93.1% RED	Y2 96.15% GREEN	Y1 88.1% RED	R 92.8% RED	Whole School 94.20% RED

The School App

Can you please make sure you have signed up to the school App as important information is sent out via the App any problems please ring the school office.

World Space Week

From the 4th October – 10th October our school, along with rest of the primary and high schools in Kirkby, are celebrating World Space Week 2021. This year's theme is 'Women in Space' to celebrate their contribution to the exploration of the skies above us.

Similar to previous years, we will be running an art and design based competition to get children engaged in science. We will be running two separate competitions and children are welcome to enter both.

The first competition is to **create a 2D piece of art work** celebrating women in space.

The second competition is to **create a 3D model**, as the James Webb telescope is launching in December, you can create your own version of a craft to explore space such as a: telescope, satellite, space shuttle, lunar lander or Mars rover.

Entries must be completed and in school by **Wednesday 13th October** and winners will be announced Monday 18th October.

The winning art entries from across all of Kirkby will be selected to go on display in Kirkby Gallery after Christmas and you and your family will be invited to attend the opening.

Please click the link below for a letter with more information on World Space Week:
