

NEWSLETTER 20TH OCTOBER 2021

Dear Parents /Carers,

I have really enjoyed the last couple of weeks in school, I have been able to visit every class and see our children learning and having fun. Early next term class teachers will be calling you to discuss your child's progress as we are still restricting visitors in school to essential visits only. This is due to increases in COVID cases in the community. Letters will go out the first week back and calls will take place the week of 8th November. There are just a few more reminders below-can you please read.

Thank you for your continued support and have a lovely half term.

Miss Hegarty

SPACE WEEK 2021

We have had the pleasure of seeing and displaying some outstanding work for our World Space Week 2021. Students from across the school have tried their absolute best to create some truly inspirational pieces of 2D and 3D artwork.

The children have really outdone themselves and their imagination has soared to new heights with some of the fantastic rockets, satellites and telescopes that they have designed and created

A massive thank you to everyone for their efforts and for really making yourselves and your teachers proud. The work you have created has been truly fantastic.
