

Kirkby Collaborative of Schools

Support to The Ukraine

In response to the war in the Ukraine the 14 schools in the Kirkby Collaborative are taking the following actions.

Please also see the posters around the school and on the website with suggested donations the local collection points in Kirkby are:

- Sacred Heart Parish Centre, Briery Hey Avenue, Kirkby, L33 0YF
- St Joseph the Worker Parish Centre, Bewley Drive, Kirkby, L32 7PZ

The first shipment is due to leave on Sunday 27 March. We would kindly request that items for this shipment are delivered to the collection points by Thursday 24 March.

We are donating any collected funds to the DEC Red Cross Appeal from our dress in yellow, blue or red day this Friday 18th March.

The sunflower has been Ukraine's national flower for a long time, but it has swiftly become a worldwide symbol of solidarity for the country and its people since the Russian invasion began.

The children are creating their own sunflower which they will bring home. You can display this in your window or anywhere else you feel appropriate.

We are creating a window display of sunflowers in the town centre in the old Pound Bakery store on St Chad's parade.

We are also discussing the war with children and answering their questions and concerns about what they see on the news. For many of our children this is their first experience of observing war.
