Some of the Messages of HOPE for Morrisons by Y6

Difficult roads lead to beautiful destinations

If you don't like it, CHANGE IT!

We all have a flower of kindness inside us waiting to bloom!

Hope is being able to see the light despite the darkness.

Hope does exist so don't doubt it.

There is always light in darkness - called YOU!

Don't worry be happy coz every little things going to be alright.

It's not when you die that you stop living its when you stop BELIEVING.

Hope for World Peace.

Don't let fear control you, be you!

Hope is the one thing that can help us get through the darkest of times.

To all people-SMILE!
