Dear Parents and Carers,

I am writing to inform you of my decision to retire at the end of this academic year. This has been a very difficult decision, as I love my job, but I feel it is the right time for me and the school.

I have been teaching in Knowsley for 32 years, here at Ravenscroft for 22, 17 years as Head. This time has flown, Ravenscroft is such a special place to work. The children are unique and amazing, they make me smile and laugh every day. I will remember my time as a happy one, working with people who really care and make such a difference to your children's lives.

I thank you for all your support over the last 17 years. Your wonderful children are a reflection of you, they are kind, caring, full of life and character. I know whoever takes over as Headteacher in September will be very lucky. I wish Ravenscroft and everyone here the very best for the future. I am sure it will continue to flourish and soar to success.

Best wishes

Miss Hegarty
