

Ravenscroft Newsletter

Wednesday 27th March 2024

Happy Easter...

What a half term this has been: we have had so many exciting events taking place, from World Book Day, to Comic Relief, to trips and visits and so many sporting successes. Our children make us so proud on a daily basis, with their fantastic attitudes, behaviour and the kindness that they show to others. It's great to be a part of the Ravenscroft Team. Our half term finished with our Easter Family Bingo, which was a huge success. Thank you to all of those that came and joined in the fun, the fundraising... and particularly the dancing. What a night! Thank you to all our parents and carers for every donation and all tickets/raffle tickets bought, this truly means a lot. We also received so many kind donations from our local community and businesses – we have been blown away by the generosity and this has meant that we have raised a whopping £566.40.

Take a look on page 3 of the newsletter for a list of all of our kind donors.

We will keep you posted of how the children will benefit from this.

I hope that you all have a lovely break and look forward to seeing you all in the Summer Term with, hopefully, some warmer weather. Thank you for all of your support over the last term in helping to make Ravenscroft the wonderful place that it is.

Take care
Mrs Coleman ☺

Sing Up Assemblies

WOW... what spectacular performances our children put together for you all; this year's theme was mental health and mindfulness, and you could clearly see the message and meanings behind each song they learnt so well.

All of your children really were amazing, and we are so proud of them all.

Parents' Review Meeting

We have had our second lot of parent review meetings and I would like to thank all of our parents and carers who came along. It was great to see you all and let you know how proud we all are of your children and the progress that they have made.

This term we have had quite the success within our PE department with our Year 5 & 6 boys football team and our year 3 & 4 girls football team. Our Cross-Country team got off to a flying start doing so well in their first race, with the boys team coming 3rd across all schools. Go Team!!

Parent App

Parent App is the best way for us to communicate between school and parents. It is a useful tool that gives instant information such as letters, newsletters and term dates. It can also be used for reporting an absence. If you haven't already signed up – our office staff are always available to help should there be any difficulty.

Healthy Packed Lunches

We encourage all our families to eat a healthy and a balanced diet. Please could you ensure that your child has a range of healthy food in their lunchbox. See the website below for some ideas!

Attendance

This term in school we have been working hard on attendance and have been treating some of our 100% attenders to an afternoon tea with Mrs Coleman. A child from each year group with 100% attendance is randomly chosen. This has been a really positive award for the children.

**Don't forget we come back to school on
Wednesday 10th April (yes Wednesday!)**

Out of School Achievements

We really want to hear about all of the children's successes outside of school. This can be awards, competitions, charity work, good deeds etc, A form can be collected from the office or is also available on the school website.
