## Friday 24<sup>th</sup> May 2024

This half term has been one of so many successes and fun times. Ravenscroft have taken part in so many multi-school competitions recently and have been crowned Knowsley Champions in netball and cricket. We have been introduced to the hidden gem that is the Towerhill Ecotherapy Garden, which is right on our doorstep. Our children from Reception to Year 6 have now all had a chance to visit the garden and will continue to do so regularly. Our School Council are now helping our school to be more environmentally friendly by composting our fruit waste.

The children have all worked so hard this half term and we really appreciate those children who are 'in on time and in every day' (our Afternoon Tea reward slogan). It really does make a difference to the children's learning and enjoyment of school. A special shout-out needs to go to our Year 6 children who tackled SATs Week with confidence, superb attitudes and a determination to do the best that they could – we are so proud of each and every one of them.

I hope that you all have a lovely half term break and I look forward to seeing you all on Monday 10<sup>th</sup> June for the final half term. Thank you for all of your continued support.

Mrs Coleman ☺
