

# Attendance Newsletter

13TH FEBRUARY 2026

## Aiming for 97% and above!

We are aiming for 97% or above attendance, this ensures your son/daughter have the best opportunity to reach their full potential.

90% is great in tests, however 90% or below is poor attendance and will have a negative impact on your son/daughter's learning.

## Medical Appointments

If your son/daughter has a medical appointment please attempt to make them outside of the school day.

If not possible, we request your child attends school before and after their appointment.
